CO-ORDINATOR SHIFT OPEN

Our current Thursday evening coordinator, Newanna, needs to answer the demands of her crafting business and leave the 4:30 to closing shift. So STEP UP, all those with strawboss experience and a desire to become one of our dynamic team of coordinators! Call Rachel at 687-6727 with questions or your name and phone number if interested. We hope to have a new coordinator in place within two weeks.

WE NEED BULK OILS AND LIQUIDS

STRAWBOSS This is a Thursday morning position, and needs a person who can lift heavy containers. Call Rachel: 687-6727

WE DIDN'T RAISE PRICES, WE FLIPPED THE STRUCTURE

With an amazing show of time, energy and people power over the past few days, we accomplished the changing of the pricing structure to more currently reflect what running the food buying cooperative costs all of us.

Prices used to show a shopper's cost WITH work credit. As of this week, prices show a shopper's cost WITHOUT work credit. In other words, prices on the shelf and on the produce list reflect the food co-op's costs WITHOUT the huge amassing of volunteer work efforts which make this glorious happening occur each week. The 15% work credit will be subtracted from our totals at the cash register, instead of added. Thank you for your patience while we refine this system, and a huge thank you to all those who helped and are helping.

MOST DIFFICULT TIMES FOR WORK CREDIT:

Thursday afternoons from 2 until 3 or 4, depending on the day. Also, if you have a particular talent, idea or peeve, please see a coordinator for setting up a special project.

EASIEST TIMES FOR WORK CREDIT:

Tuesday afternoons and evenings; 4:30 – 7:00pm
Thursday mornings until 2
Thursday evenings until 9-ish
Friday afternoon into evening
Seasonal cleaning, inventory etc. parties (see the gazette for times)

THOUGHTS ON INSTITUTIONAL MEMORY

I have become concerned about a loss of Growers institutional memory. People remember things as a result of doing work in the co-op, or participating in groups that rent space in the building. They also can remember things because they attended Growers meetings. For example, I recall someone saying in a meeting that an inspector once warned us that the co-op was looking more and more like a store, and that the government might someday require it to satisfy all the code requirements for a store. The next Growers meetings (board meetings) are set for Wednesday, May 12th at 7 pm, and Wednesday, May 26th at 7 pm. --Milton Takei

HEALTH BENEFITS FAIRS

Many Lane County residents are afraid to go to the doctor because of the high cost of health care. PeaceHealth's free Health Benefits Fairs, held in conjunction with National Cover the Uninsured Week, can help relieve many of those residents' fears. Trained financial counselors, including Spanish-speaking counselors, will meet with individuals interested in applying for the Oregon Health Plan (OHP), Children's Health Insurance Program (CHIP), PeaceHealth's Bridge Assistance Program, and other state and private assistance programs. Attendees are asked to bring proof of income for the past four months if

available. The Health Benefits Fairs are scheduled at the following times and locations:

Tuesday, May 11, 3 to 7 p.m.

PHMG Downtown Eugene clinic, 1162 Willamette

Friday, May 14, 3 to 7 p.m.

Barger Medical Building, 4010 Aerial Way

Saturday, May 22, 9 a.m. to 1 p.m.

Sacred Heart auditorium, 1255 Hilyard St.
