STRAWBOSS POSITION OPEN

I am currently taking care of the dairy cooler, the freezers and some of the dried food items, every Thursday morning for about 2 and a half hour (with the help of volunteers). I had originally committed to the task every other Thursday, but sort of fell into doing it every Thursday. As my summer schedule is going to be changing, I need to go back to every other Thursday. HOUSING OR LONG TERM HOUSESIT WANTED

Hello my name is Planet and I am looking for a new home. Preferably in the river road area, but not necessarily. I currently have section 8 housing, and the owner where I would move to would need to agree to accept Section 8. I would like my new home to be either a one bedroom studio, cottage or yurt. I don't need a lot of space, because I live very simply. I don't have a car, computer, TV or animals. I am looking to move in July if possible. Please contact me at email dreamingpax@yahoo.com or 461-2695. Thank you so much and I look forward to hearing from you. *blessings*
