Growers Market's Weekly Newsletter

Celebrate the new year with cheer at Growers: help with inventory tomorrow and Saturday!

INVENTORY: HELP AND EARN CREDIT

Growers needs lots of help with the year-end inventory. Students and other busy people might take the opportunity to earn some work credit. This year, we are going to try doing inventory on two different days: Friday, December 30th, starting at 6 pm, and Sunday, January 1st, starting at 10 am. If people are shopping on Friday while we do inventory, that will have the effect of inflating the inventory total slightly in favor of the IRS. I don't know how long we will be working on either day, so I suggest calling 687-1145 (the Growers number in the phone book) if you are going to arrive after 8 pm on Friday, or 12 noon on Sunday. You can work for only an hour if you want. No experience is necessary. Wendy Loren will be coordinating the weighing and counting, but other people can also help explain the procedure.

STRAWBOSS POSITION AVAILABLE

Looking for a strawboss replacement ASAP 1-1/2 to 2 hours every other week to take care of the dairy cooler, and the freezers. For more details on the position talk to Janine at growers or Stephanie 767-3689.
