Growers Market's Weekly Newsletter

UPCOMING MEETING

The next Growers meeting (board meeting) will be on Tuesday, September 19th, at 6 pm. If the meeting is not at the round table upstairs in the Growers Market Building, look for us downstairs in the co-op, or elsewhere in the building.

WELCOME DOULAS SUPPORTING TEENS

The new tenant in the Growers Market Building is Doulas Supporting Teens. They work with pregnant teenagers. The representative from the group said that she is personally pro-choice, but they were able to provide all-options counseling. She also said that she thought they could share the office with another applicant, who also works with young women. Two of the current tenants said they might be able to share space with the third applicant, who does web design for non-profits. --Milton Takei
