## DRY GOOD NOTES

Sue is visiting Marise in Dublin, so she won't be doing orders until late March. In the meantime, Taylor is taking care of coffee and cheese. Phil is taking care of Mountain Peoples (now called United Natural) and Honey Heaven. In case you need to get in touch Phil's number is 521-9971. Thank you!

## TWO STRAWBOSS POSITIONS OPEN

2. We need another reliable person to join the closing team every other Thursday, roughly from 7:30 to 8:30 or a little later.

If interested in the latter two positions, call Martin at 744-3265 well before 9 in the evening, or leave me a message on the Growers voicemail 687-1145, or see me when I come in this week.

## NEW STANDING AND PRE-ORDER SHEETS!!

Did anyone think that the pre-order sheet was getting just a little hard to read or a little out of date? Not any more! It has been cleaned up and is ready to serve all your standing order or pre-order needs. It's a good time to pull out that old reliable standing order and make changes. It's a good time to experiment with a pre-order if you never have before. Check it out. Special Note to Standing Order Folk: In an effort to update and improve the accuracy of our produce order,

we will be recycling any and all old standing orders as of March 31st. Please upgrade your sheet!

## **PARENTING FROM YOUR HEART**

Workshop Series Offered. Saturdays, 6:30-8:30 p.m., March 2 - April 21. Growers Market Building (Upstairs). Our children are so important to us, yet sometimes we struggle to parent in ways we feel truly good about. Participating in these parenting workshops, you will explore how to:

- Understand the needs behind your children's behavior.
- Parent effectively without relying on the threat of punishment or the promise of reward.
- Transform power struggles into opportunities for building connection and trust
- Discover a quality of connection that will sustain your family through life's challenges
- Contribute to peace by raising children who can make peace

Contact: Kristin Collier 541-465-9222 or [k2collier@msn.com](mailto:k2collier@msn.com). This workshop series is based on the principles of Nonviolent Communication (NVC), founded by Marshall Rosenberg, Ph.D., and used around the world to mediate conflicts, nurture relationships, and promote peace. For more information on NVC, see [www.cnvc.org](http://www.cnvc.org).

## **HOUSESITTER SEEKING MUTUALLY BENEFICIAL SITUATIONS**

Hiya...I have been living south of Lorane (a 45 min drive) for the past 3 years while working part-time in Eugene. I have recently had the good fortune to housesit downtown and it has changed my whole experience of living in the country and working in town. With a home in town, I park the car and forget about it. I bike everywhere, meet friends, cook meals, see music. Wheeee!! (You can see I am still a little excited about it.) Then I go home to my lovely rural life in Lorane. Suddenly it has become the best of both worlds instead of feeling like a split life. And, of course, its been great for homeowners. So I am seeking to housesit more often! What I can offer is a respectful presence in the house, and the willingness to take care of plants, mail, pets, phone messages, yard duties, whatever, 4-6 days/wk, depending on the week and depending on what is needed. Please pass the word onto anyone you know that might benefit from this situation. Thanks, Mari 942-3303, [taylor@westernlaw.org](mailto:taylor@westernlaw.org)

**COQ10 FOR SALE:** I have one bottle of CoQ10 200mg/60 caps by Jarrow Formulas which I don't need. Will sell at their wholesale price for \$25. Call Planet 461-2695

**RIDE WANTED:** I am seeking a ride to San Francisco or Bay area on or around Tuesday March 20. Latest I can leave would be Friday, March 23. I can help with expenses. Thanks. Call Planet 461-2695
