## NEW GROWERS POSITIONS AVAILABLE

Market members eager to make a stronger commitment to your co-op: I have good news and bad news. Bad news: the every-other-week 7 to 8 cashiering and closing positions are filled. Good news: a 6:30 to 7:30 cashiering position has just opened, at least temporarily. Also, free training is available to future cashier substitutes. Fun Fun. If interested, talk to Martin, or leave a message at 687-1145. Thanks for being Growers.

## HOUSESITTER SEEKING MUTUALLY BENEFICIAL SITUATIONS

Hiya...I have been living south of Lorane (a 45 min drive) for the past 3 years while working part-time in Eugene. I have recently had the good fortune to housesit downtown and it has changed my whole experience of living in the country and working in town. With a home in town, I park the car and forget about it. I bike everywhere, meet friends, cook meals, see music. Wheeee!! (You can see I am still a little excited about it.) Then I go home to my lovely rural life in Lorane. Suddenly it has become the best of both worlds instead of feeling like a split life. And, of course, its been great for homeowners. So I am seeking to housesit more often! What I can offer is a respectful presence in the house, and the willingness to take care of plants, mail, pets, phone messages, yard duties, whatever, 4-6 days/wk, depending on the week and depending on what is needed. Please pass the word onto anyone you know that might benefit from this situation. Thanks, Mari 942-3303, [taylor@westernlaw.org](mailto:taylor@westernlaw.org)
