A MESSAGE FROM THE HOST OF STAND UP AGAINST WAR IN EUGENE:

There is an important action that we can all take in order to assure that no more funding gets sent to this lost cause of a war. We all need to urge our Senators to filibuster any funding legislation that does not include a withdrawal timetable. The Republicans have not been reticent to use this parliamentary technique to keep funding the war, and the Democrats should not hesitate to use this technique to stop the war. We should all call or e-mail our Senators, and sign this petition online: <http://filibusterforpeace.org/index.html> Thank you for your help. -- Caleb J. Friz
