## **STRAWBOSS POSITION - PRODUCE**

Sorting Produce, approximately 4 hrs work per week starting at about 10:30. Please contact Julie or Joni or any other coordinator at the market.

## **STRAWBOSS POSITION - TUESDAY CLOSER**

We need a willing and reliable person to help close up the Market on Tuesday evenings. Arrive around 6:30, go home around 7:30. Put away produce, sweep, do dishes, make sure everything is closed, etc. It's a mellow shift and the Tuesday crew is really fun to work with. Contact Taylor on Tuesday or at 683-8250 for more information.

## **FRIDAY MORNING HOURS**

Friday morning shopping will be starting up again, beginning Sept 5th. Please join us Friday mornings from 9:30-12. Remember that you can pre-order for Fridays, if so, please indicate on the form if you plan to pick up during am or pm hours. If you are interested in joining the morning crew (closer), please contact Cialin at [cialin@efn.org](mailto:cialin@efn.org). See you there!

## **THE STORY ON LOCAL EGGS. . .SHORT VERSION**

by Joni

Oregon law says that all eggs sold by wholesalers, retailers and restaurants must be sold by people who have an egg handlers license and are thus selling eggs treated according to USDA process standards-washed, sanitized, graded, and refrigerated. Farmers can sell the unwashed, un-sanitized, ungraded eggs they produce without a license but only to wholesalers with an egg

handler's license or at a farm stand where the eggs are produced. Alas, we are no longer ignorant of the law...and so, dear reader: There are organic eggs from a wholesaler in the cooler. At this time Growers Market is unable to sell eggs from local flocks unless the flock owners have an Oregon Egg Handler's License.

## **DRY GOODS NOTES**

Our OG Almonds have been coming from Italy. Lately tests done on OG pasteurized almonds grown in CA resulted in a sprouting rate of more than 40%. The almonds are not heated beyond 115 degrees and so are considered raw. We will carry the Ca almonds and not the Italian ones. So far the feedback to my question "can we allow members to special order canned fish?" has been in favor of this idea. No one has objected. I'd still like more feedback. This is only for special orders, not for shelf stock. Please let me know what you think. Thanks, Sue 688-6679

## **IT'S CAMPAIGN SEASON!**

Kitty Piercy and Rob Handy are fighting for the future of Lane County and the City of Eugene. Their campaigns are in full swing, and if we all contribute just a little, they'll win and work toward a healthy, sustainable, and honest community. Both these races are tight and every little bit counts! They are both up against big business, but we can win with volunteers and lots of small donations. Give the offices a call and let them know what you can do, even if it's just an hour: Rob Handy: 484-9595. Kitty Piercy: 334-6727.

## **ROBBY vs BOBBY**

Rob Handy's new website is up!! Thanks to webmaster Mike Gray (MG Computer Systems) the site's been greatly improved and looks beautiful. Check out the new and improved [www.robhandy.com](http://www.robhandy.com). Also, please check out [www.bobbywatch.com](http://www.bobbywatch.com) which was developed by folks in Lane County who want to document the record of Bobby Green to show voters why he should NOT be a Lane County Commissioner any longer.
