The next co-op coordinators' meeting is set for Monday, April 20th at 6:30 pm, in the co-op or elsewhere in the building.

GROWERS MONEY

For 2008, the food co-op finances showed a surprisingly high surplus of \$13,805.07, most of which is tied up in inventory. Though the co-op checking account might soon contain enough money for us to buy a cooler with glass doors which would be more energy-efficient than our current one. The Growers Market building fund made \$7,326.20, and the Country Fair fruit booth brought in \$1,953.30. Due to the uncertain condition of the economy, we have decided to put off some maintenance projects such as repairs to the underside of the building. --Milton Takei
