FRIDAYS AT GROWERS ARE LONGER! Growers is now open from 9am 'til regular closing time on Fridays. Please plan to pre-order produce if you think you'll be shopping on Fridays – the pre-orders are pulled separately and saved out for us on Thursday, so it's pretty guaranteed to be there for you, and makes ordering and reducing food waste more possible. Also, if you are interested in strawboss or co-coordinator shifts on Friday, please contact Cialin at cialin@efn.org. See you then!

LOOKING FOR CHILDCARE WORK!

Being with children is a true joy to me, and I find that I learn so much! It is a great invitation to be in the present moment... I love to give my full presence and attention and become friends with children. I have worked with children of all ages, and can provide references.

I'm hoping to find about 30 hours a week, with 1 or more families, though I am happy to be an occasional, spontaneous sitter as well. My schedule is very open and flexible, though I prefer to have a schedule and agree upon a certain number of hours/week. Please check my add for details about my past experience.

Please keep me in mind for friends, and feel free to pass out my e-mail or phone number (973) 214-3197. I may also be willing to barter, for vegetables, herbal medicine (would need certain herbal tinctures), body work, chi gong lessons, or other resources in combination with money.
 Blessings and love, Leora
