SIGNAGE

You may have seen the notice on the door of the co-op to the effect that shopping is for members only. We had a visit from a government inspector who impressed upon us that we cannot sell to the general public. Of course, anyone can join. People at a Growers meeting thought that signage would help, and the coordinators' meeting approved the wording at their January 18th meeting. Membership cards are in the works. – Milton Takei

LOOKING FOR CHILDCARE WORK!

Being with children is a true joy to me, and I find that I learn so much! It is a great invitation to be in the present moment... I love to give my full presence and attention and become friends with children. I have worked with children of all ages, and can provide references.

I'm hoping to find about 30 hours a week, with 1 or more families, though I am happy to be an occasional, spontaneous sitter as well. My schedule is very open and flexible, though I prefer to have a schedule and agree upon a certain number of hours/week. Please check my add for details about my past experience.

Please keep me in mind for friends, and feel free to pass out my e-mail or phone number (973) 214-3197. I may also be willing to barter, for vegetables, herbal medicine (would need certain herbal tinctures), body work, chi gong lessons, or other resources in combination with money. Blessings and love, Leora

ELEPHANT GARLIC AND WALKING ONIONS

Isabella of Eight Gates Nursery has elephant garlic and walking onions available for you at no charge. They are located near the front door. Please take some and make out a receipt indicating the number of garlic bulbs or onions you took and the stated value of them. If you would like, please donate the amount that would have been charged for the garlic or onions to the wheel chair lift fund. Thank you.
