GROWERS NEEDS YOUR HELP

you know growers is an all volunteer cooperative buying club. the volunteer part is very important. at the coordinators meeting Monday we talked about the need for a few more volunteers, here are the positions that need filled: Thursday evening closer, you would help the coordinator put growers to bed for the night, put produce in walk-in, close up buckets, a little cleaning..., starts about 7:30; Friday--cashiers in the early afternoon and into early evening; also on Friday general help from 11--3:00. there is cashier training, application to fill out, further information.....talk with the coordinator on duty during the time you would like to volunteer. the suggestion box is now the "contact the coordinators" box. most of the suggestions were for coordinators anyway. thank you for being growers and thanks for volunteering. growers is a great team to work with!!!! The NLC Committee on Sustainability [COS] an eco activist city wide neighborhood committee, is coordinating the tours. See the city wide schedule further below. For the on-line updated schedule of all the neighborhood tours, go to www.eugeneneighbors.org/wiki/NLCgreen#Upcoming_Events or <http://eugenesustainability.org/>. The tours are free, casual, social and a lot of fun and include different combinations of grass to garden, rain water catchment, active and passive solar design, green-building technique, chickenkeeping, non-conventional residential arrangements, permaculture, beekeeping, habitat restoration, neighborhood initiatives and more. Please check back for more as the sites are updated continually. Bikes are recommended but you can hop in a Eugene Pedicab on some tours or follow in a carpool.
