TWO LOST TOOLS – DID YOU PICK UP ONE OR BOTH?

Steve Esses, the Tuesday Closer left a Schrade Jack Knife on the Pre-Order bench when he was breaking done boxes two weeks ago. Last week, he left a Gerber Multi-Tool at the same place. Both tools are missed, so would the person who picked them up please return them. Thank you 541-206-4337

TUESDAY HELP DESPARATELY NEEDED!

dry goods update.....**Phil hurt his knee and cannot do his Tuesday job for awhile.** I'm filling in and need help. Tuesday we receive most of the dry goods deliveries, it can get rather busy. What is needed is help with pricing and stocking goods. I could use someone as early as 10:30.

work usually goes until 2:00 or 2:30. You could work for 30 minutes, an hour or longer it would be wonderful. it is best to contact me prior to Tuesdays or call me at growers after 9:30. Sometimes the trucks are early or late so some part of the work may be later on Tuesday. you don't have to commit to every Tuesday, my hope is a few people would want to take turns doing this. It helps if you have an eye for detail and a sense of humor. please call me home-541-688-6679 or growers-541-687-1145. thank you.
p.s. i really need help with this i cannot do it alone.

TEMPORARY PAID POSITION AT GROWERS

The Growers Market is looking a janitor for approximately six weeks. The job is four to six hours per week and pays \$10 per hour. Please send resume to Edward at growmgr@gmail.com. Deadline to apply is Tuesday, August 31st and you should be able to start immediately.

LOST CREEK FARM LOCAL PRODUCE RETURNS

Hello fellow and sister marketeers. Thanks to the weather during this most unusual growing season, just recently we finally had enough variety of produce to resume supplying Growers! It's nice to be back! Contact us if you are looking for bulk quantities of vegetables for processing, basil, green beans, etc. Thanks, Mari & David at LCF.

LIVE, ORGANIC TEMPEH AVAILABLE

We create live Organic Quinoa, Organic Garbanzo and Organic Pinto tempeh in small batches, priced at one block for \$3 and two blocks for \$5. A tray of eight is \$20, and can be mixed and matched as you prefer. As we are a small company and are not in stores (yet!) the only way to acquire our hand-made, live tempeh is to pre-order. We offer a pick-up option at Govinda's Vegetarian Buffet at 1030 River Road on Mondays or Tuesdays between 12pm and 2pm, and between 5pm and 8pm. We do larger deliveries in special circumstances for a small fee and are working on getting into Grower's Market as a pre-order/pick-up location.

Pre Order Produce by E-Mail

Send an e-mail to growers.market@gmail.com by Tuesday evening @ 6:30pm to preorder produce for that week. You may also use the Pre-Order Form on <http://GrowersMarket.net>

Due to the nature of the process, soaking, making, and incubating, it becomes a three day event and we need to know how much and of what kind you would like, at the latest by Friday evenings to have your tempeh come out on Mondays. RIVER ROAD COTTAGE FOR RENT

I am asking in the spirit of community if any of you know of great renters for a lovely space for my "close in River Road" cottage. It is on a dead end section of Sunnyside Dr in a great neighborhood about a mile up NW Expressway from the Chambers connector. We are 3/4 of a mile from the River bike path. It is ideal for 2 folks or a single person with children (1 or 2). I will consider Section 8 as well. I am willing to work with the right parties as to deposit payments.

The cottage is 2 huge bedrooms, 1 small bath, a living room and kitchen. There is a fenced back yard, with an orchard and garden. It is next to my home, so I take care of maintenance as it happens. I would love to find someone who wants some community living ie. share in the yard work and the benefits. Downsides are that there is no laundry hookups and the bath is small with no tub. The laundromat is not far away. Also, I do not allow smokers.

The rent is \$695.00/month with water and garbage included. EWEB is the responsibility of the renter. It has electric heat and all the windows are recently thermopaned.

I am looking for someone who wants to stay in the area for awhile. Let's talk. Thanks...

Please refer contact to: Kate 541-688-7977 or kellykat777@gmail.com Thanks in advance.

GREEN NEIGHBOR BIKE TOURS

Dear Friends and Neighbors, Please join us for the Green Home bike tours in Eugene this summer. The NLC Committee on Sustainability [COS] an eco activist city wide neighborhood committee, is coordinating the tours. See the city wide schedule further below. For the on-line updated schedule of all the neighborhood tours, go to [www.eugeneneighbors.org/wiki/NLCgreen#Upcoming Events](http://www.eugeneneighbors.org/wiki/NLCgreen#UpcomingEvents) or <http://eugenesustainability.org/>. The tours are free, casual, social and a lot of fun and include different combinations of grass to garden, rain water catchment, active and passive solar design, green-building technique, chickenkeeping, non-conventional residential arrangements, permaculture, beekeeping, habitat restoration, neighborhood initiatives and more. Please check back for more as the sites are updated continually.

Bikes are recommended but you can hop in a Eugene Pedicab on some tours or follow in a carpool. Please keep young kids on best behavior, we will be visiting special and sensitive homes and gardens that are personal and important to the people who live there. Please no pets. Bring water and a snack, tours will last about 3 hours
