HEY ALL YOU FRUITS AND NUTS

It is that time of year again when we are looking for day passers to help out at this years Growers Fruit Booth at the Oregon Country Fair.

Have a great time cutting, stocking and serving fresh fruit while bringing funds in for the Growers Market. This is a great opportunity to be a part of the magic that makes the fair come alive. If this is something that you want to be a part of there is a sign up sheet on the right side of the big bulletin board.

Please include your name, number, e-mail, time, and day or days you can work. Just remember flakes belong on popcorn and not at the fruit booth.

We look forward to working with you. We have filled

the vast majority of the 39 shifts, mostly with wonderful experienced workers, but we still need 6 people for Friday and a couple for Sunday. It would be great to include some Growers regulars who have not yet been with us at Faire. For questions e-mail Jaci at jacimck@hotmail.com

CASHIER NEEDED, ALTERNATE FRIDAYS

10am-12pm

We are in need of a Friday morning Cashier, 10am-12pm, every other week. Please see Nicolette for details from 10am-1pm Fridays at Growers Market if you are interested. Interested person(s) will need to go through a Cashier Training process with Taylor on a Tuesday evening (preferably). This position will receive Strawboss compensation. Peas!

DRY GOODS NOTES

found out monday we will no longer be able to get artisana raw tahini in bulk, they gave hummingbird no warning. hummingbird is looking for a replacement, but it will take awhile. we were able to get a couple of remaing buckets, please don't get greedy. the other bulk item we won't be able to get is once again crunchy peanut butter, no warning from united who is dropping it. i'm going to ask azure to consider carrying it.

there is a request from members who shop after 4:00 thursday.....if you want a flat of strawberries or any other large quantity of produce PLEASE PRE-ORDER!!!!!!!!!!!! seriously, we have the pre-order option so folks can order what they would like that week, call it in tues twixt 5p.m. and 6:30 p.m. we sometimes get a great deal on a produce item or two and joanna tries to get enough for all of us. when someone decides to buy up one or two cases without pre-ordering the co-ordinator may well ask that most of it get put back on the produce shelf. we're not trying to be mean, just trying to uphold fairness. thanks for your understanding.

that's it for now, gotta get back to sewing. happy solstice, sue

WHO'S WHO AT GROWERS?

Meet Amelina Dragonfly Dawning-Hicks who was two when she first started counting bagels to help her mom Joni with a volunteer job. Taylor says she's been cashiering since she was three. Her vol work supports shopping for a family of three. She is a cashier on Fridays, but only for the school year. She will be in grade 9 next year as a homeschooler. Her favorite subjects are reading, history, a little math. She did trigonometry first and is now studying algebra. Her passions include working at the Re-do Parlor by Laughing Planet on 8th & Monroe. It's an intern job where she tags clothes, organizes, makes displays and does repairs. She could be a costumer. Why Growers? Because she's been coming here for a long time. It's a part of her. She can improve it. She wants to be a counted soul who dusts stuff. (She was dusting with her feather duster while we talked) Her favorite treat here is the ice cream bars by Julies. Thanks, Amelina! LOCAL ORGANIC CHICKEN EGGS

Kara, Leo, and Myriad will continue to staff a farm table just inside the door at Growers Market every Thursday from 2:30-6:00 pm. Eggs from OG, corn- and soy-free chickens cost \$4.50 per dozen. Fresh yogurt from our Jersey cow's milk, with the cream on top, costs \$5 per quart. Yogurt comes in a glass quart jar, with a \$2 refundable jar deposit (No Plastic!). Pre-order yogurt by emailing Kara Huntermoon at karahuntermoon@gmail.com, or calling (541) 485-1921.

BULK HONEYCOMB

Fresh honeycomb from Heartaculture Farm Community is available in bulk from the refrigerator, right next to the bulk tofu. A little every day may help with local pollen allergies. \$7.98 per pound. This is it until next Summer!

SUMMER FARM WORK-TRADE

Heartaculture Farm Community has a goal of producing 90% of our own food within 5 years. We accept volunteers, and we also have a Summer Work-Trade Program for those who wish to camp for a while and help grow food. Activities may include gardening, animal husbandry, food preservation, herbal medicine prep, and butchering (optional). Email Kara Huntermoon for more information (karahuntermoon@gmail.com), or stop by the Heartaculture table at Growers on Thursdays from 2:30 to 6 pm.

RENTAL WANTED:

Hello! I am seeking a 1 bedroom apartment/studio/backyard cottage/cabin/yurt in Eugene, (though I would consider something a bit more rural within 5-10 miles of Eugene) to move into around or after June 1st. (I need to give 30 days notice in my current living situation.) I am looking for a home with beauty near to nature (trails/river) and hopefully with some land and a garden. I realize many places for rent go unadvertised and I am looking for one of these secret, word-of-mouth type spots that friends tell friends about. I can pay between \$300-\$500 hopefully including utilities and maybe with the possibility of work/trade (gardening, childcare, cooking, caretaking, herbal medicine). I would love to live near others with a relaxed community mindset, but have my own space too. I've just started a herbalism program and singing classes (would love to live with those who play music and sing), and I work for myself making jewelry and some PT work for a local company. I can provide personal and housing references and have a great credit herstory. Things I would like in a home: -full kitchen with gas range and full fridge (mini ones don't work well for me) -month to month agreement (I will intend to be there until winter, though quite possibly much longer) -bathtub (or access to one) -wood floors - lots of windows and good natural and unnatural light -quiet -near hills/ trails/ nature (SW Eugene near the ridgeline trail would be great)-open space (enough to dance is great) -good energy - garden space -partially furnished would be a nice option - washer/dryer/clothesline would be awesome. I would also consider living with a woman with similar interests and lifestyles in a setting as described. We would need to talk a lot more about what we are looking for. If sharing a house with someone(s)-- though fewer housemates would be preferred, my intention is to become friends, share meals occasionally, and have a good connection. Please let me know if you have any questions, I'd be happy to tell you anything more about myself. Thanks for reading and considering me! Blessings!
