## HELLO BANZO FRIENDS

The Friday Morning Cashier alternating shifts 10am - 12pm have been filled. A big THANK YOU! to those of you who stepped in to fill this Strawboss position and to those who helped substitute while we looked for regulars.

Help Wanted: ASAP!!!! We are looking for someone to take on the Strawboss position of rag washing. This is a great position for someone who wants to give to the Growers Community, gain Strawboss compensation, yet cannot commit to regular hours within Growers. The rag washing will need to be done every week, picking up and returning rags on regular days (pick up Tuesday night; return Thursday morning) so we can depend on them being there especially on our busy day: Thursday!

We need your volunteerism! Pumpkin Credit is given to those who: Volunteer 30 minutes of your time or more, have a child/children under the age of 18 months, who are pregnant, who are differently abled and/or who are over the age of 75 years old. We welcome all to come in and offer your volunteering time. Talk to the Coordinator on duty for a volunteer opportunity. -- Peace, Nicolette Swan

## DRY GOODS NOTES

starting in a few weeks we will be getting azure standard orders twice a month, i will have the updated schedule posted on the special order board next week. the weeks we get azure we will NOT be getting unfit (at least that is the

plan for now, we will continue to get hummingbird each week.) this will help to lower some of our prices and lessen some of our out of stock situations. a big thanks to phil for being able to make this happen.

we may have noris back in stock by next week. they cannot deliver milk at this time as their capper is still not at 100%, they can deliver the butter, cheese and yogurt we usually get.

humming bird has moved into their new digs across the tracks. the new warehouse is larger and much 'greener' than what they had. this will allow for a wider and deeper selection and still allow the 'birds to walk around the stacks, a major improvement. thanks and congratulations to julie and charlie tilt on this major undertaking. they treat us very well, including making the occasional thursday delivery on late arriving goods.

take care, sue.

**FYI:** People over 75 years old don't need pumpkins to get the discount only if they have a history of volunteering at Growers.

## FOOD FOR OCCUPY EUGENE

Please purchase extra food and donate it to Occupy Eugene. There is a box by the door to receive donations and it will be brought down every evening after the market closes.

## THANKSGIVING WEEK CHANGE

the week of thanksgiving we will be open tuesday, nov.22, only. it will function just like our usual thursday.

## THURSDAY MIDDLE SHIFT CO-ORDINATOR

the co-ords have decided to try something new. thursday middle shift, noon/noon thirty until 4:30 if a busy, busy shift, so we would like to have a second co-ord on this shift. in other words two co-ords working together to get everything done each week. have you thought about being a co-ord but were concerned about doing a shift 'alone', this could work for you. please talk with a co-ordinator to arrange for training, thanks, and the secret handshake. ok, kidding about the handshake, hugs are far more common.
