## MEETINGS

The next Growers meeting (board meeting) will be on Wednesday, November 30th, at 6 pm. If we are not at the round table upstairs in the Growers Market Building, try downstairs in the co-op, or elsewhere in the building. The co-op coordinators' meeting is set for Monday, November 14th, at 6:30 pm, at 176 N. Grand. We switched the meeting to the second Monday, because of Thanksgiving week. -- Milton Takei

## WELCOME GREENING 99

The new Growers Market Building tenant is Greening 99. The organization's purpose is to persuade members of the public to rethink where trees should be planted in view of the serious onslaught of global warming. Carbon sinking trees, such as the evergreens that populate Oregon's forests, are important assets in efforts to reduce carbon in the atmosphere. -- Milton Takei

## HELLO BANZO FRIENDS

The Friday Morning Cashier alternating shifts 10am - 12pm have been filled. A big THANK YOU! to those of you who stepped in to fill this Strawboss position and to those who helped substitute while we looked for regulars.

Help Wanted: ASAP!!!! We are looking for someone to take on the Strawboss position of rag washing. This is a great position for someone who wants to give to the Growers Community, gain Strawboss compensation, yet

cannot commit to regular hours within Growers. The rag washing will need to be done every week, picking up and returning rags on regular days (pick up Tuesday night; return Thursday morning) so we can depend on them being there especially on our busy day: Thursday!

We need your volunteerism! Pumpkin Credit is given to those who: Volunteer 30 minutes of your time or more, have a child/children under the age of 18 months, who are pregnant, who are differently abled and/or who are over the age of 75 years old. We welcome all to come in and offer your volunteering time. Talk to the Coordinator on duty for a volunteer opportunity. -- Peace, Nicolette Swan

## DRY GOODS NOTES

we are working out the azure standard/united (unfi) schedule, not quite sure yet what would best serve growers. the only dry goods order that will come in each week is hummingbird, we may have one week a month that both azure and unfi will come in. there was a typo last week 'unfit' should have read 'unfi', so it goes.

the dried bananas were a sloooooooooooooow seller so we are going to have banana chips for now, feedback is welcome. mary's gone crackers are on sale, we got a nice deal. with any luck we will have og brown rice pasta back next week, azure is our only source and they have been out of stock lately. walnuts are going up about a dollar in price. almonds are back in stock. there are a few new chips and crackers on the shelf, sadly lite rite rounds are no more.

remember a new plastic bag from the roll here costs three cents. you can always bring your own bags.

that's all for this week. enjoy the sunshine, sue

**FYI:** People over 75 years old don't need pumpkins to get the discount only if they have a history of volunteering at Growers. --Milton

## **THURSDAY MIDDLE SHIFT CO-ORDINATOR**

the co-ords have decided to try something new. thursday middle shift, noon/noon thirty until 4:30 if a busy, busy shift, so we would like to have a second co-ord on this shift. in other words two co-ords working together to get everything done each week. have you thought about being a co-ord but were concerned about doing a shift 'alone', this could work for you. please talk with a co-ordinator to arrange for training, thanks, and the secret handshake. ok, kidding about the handshake, hugs are far more common. sue

## **IN TIME FOR HALLOWE'EN**
