NEED CRAYONS FOR KIDS AREA!

Growers is looking for donations of crayons for the kids area. If you have any sitting around unused, please bring them in, Thanks.

MANIFESTING QUIET RENTAL

Manifesting quiet share, 1 bedroom, or studio in Friendly Area (or South/SE Eugene) Growers strawboss and 30+ years food-co-op'er man w/ references and steady, reliable income, no children in tow, seeks quiet share, 1 br or studio. Friendly Area (South Eugene or Southeast) best for location. Avid bike commuter into sustainability-related topics, active in community and permaculture-related activities, serves on citywide committee, etc. Garden space

and off-street or alleyway (and/or separate entrance if not a share) is a plus. Like quiet time. :-) ~\$400-500 with utilities if possible, but please give a ring to say what you've got if this sounds of interest. 541.632.4321. Thanks. :-)

LOOKING FOR A HOME TO SHARE

Hello, from the hot roads of Colorado and I hope this finds you all well! I will be looking to share a home with others in Eugene sometime in August and would appreciate it if you all can keep your ears and eyes open and if you know anyone who needs a housemate. A phone for me is (541) 345-8180 and my email is butoh@efn.org. Thanks.

I look forward to seeing you all very soon and pedaling about the Emerald City. Many Blessings Planet

LOOKING FOR SHARED HOME

Coreana, my son's birthmom, is looking for a shared housing situation. She's about 26, single and has two boys, one age 3 and one age 6 months. She does work part time. Access to LTD is essential. Walking distance to shopping a plus. She receives public assistance for food and rent. She does not drink or use drugs. She is not permaculture knowledgeable but she is wanting to learn and establish meaningful connections in a positive environment for herself and her children. She does not have regular internet access, so I'm posting this on her behalf. Please respond to me and we can discuss details and determine if it would be potentially positive situation for all.
