UPDATE ON THE WONDERFUL DAVID OAKS

Hello, Growers Neighbors! I'm writing for two reasons. The first is that I have talked to a couple of folks who were curious about David Oaks and his health and wanted to offer support. I am happy that he's stable and continuing his rehab. They expect he'll be at home around mid-May. The work, of course, will continue at home with rehab, remodeling the home to accommodate his new needs with a

ramp, bars in the bathroom, etc. I'm certain his brother, Tony, his wife, Debra, and David himself would appreciate any help they can get. I'm linking below to the website following David's progress with wonderful photos and the now-open Facebook group that his brother monitors:

The second reason is that the MindFreedom offices will be shrinking back to double-suite of 216 and 217. Notice will be given and we're hoping to have everything out before June. If we can get it done in the middle of May, all the better. I have planned for 'open house' hours for organizing, packing, and heaving lifting from one office to the other each Wednesday and Thursday all May -- or until it's done. **These 'open house' hours will be from 2pm to 4pm each Wednesday and Thursday afternoon for anyone willing to help.** Thanks in advance. And thanks for the support I've personally gotten as I try to keep the office running in David's absence. Take care! In support, LaTonya Gibbs, Member Services Coordinator
