Here's a great opportunity for new growers members or those with limited volunteer time to get involved. Closer starts at 6:30pm and shift takes approximately one hour. Responsibilities include sweeping the floor, ensuring bulk containers are completely closed, washing dirty bulk scoops/spoons, wiping down counters, putting fruits & veggies away in the fridge and other tasks as needed. If interested come by and speak with Marie every other Fri between 4pm to 7pm. Or reach me through the wire at gatitacientifico@gmail.com, or via txt/cell 541.525.0242 and leave a message.

TELL PEOPLE ABOUT GROWERS

They say that word-of-mouth is the best advertising. So please tell people about Growers so that we can attract more shoppers. If they want to just come have a look at the co-op, they could try visiting from 10 am to 7 pm on Fridays, when things are less hectic than on Thursdays.

FOOD & WATER WATCH “YES ON 92”

Campaign Action Meeting, Thursday, September 18th, 7:00-8:00PM, Central Presbyterian Church - Fellowship Hall, 555 E 15th Ave, Eugene, OR 97401

The problem is simple. A small number of transnational food and chemical corporations are spending millions of dollars to try and deny Oregonians the right to know what they are eating and serving their families. The good news is that with enough grassroots support from citizens, we can make sure that Oregon takes a step in the right direction against corporate control of our food system. Through a simple label, we can put consumer choices back in the people's hands, not the industry's.

So please, join us at our Campaign Action Meeting on Thursday, September 18th from 7:00-8:30PM to learn more about the campaign and how you can help. With enough people involved, we can return the power of choice to the people in the state of Oregon. RSVP here, and bring a friend:

SEEKING RENTAL

Longtime Growers strawboss with references and steady income, no children in tow, seeks quiet share, 1 br or studio for October onward. Friendly, South Eugene, (or Southeast) best for location. Avid bike commuter into sustainability-related topics, active in community and permaculture-related activities, co-founder of widely-regarded cooperative Friendly neighborhood garden, served 5 years on citywide committee, etc. Garden space and off-street or alleyway (and or separate entrance if not a share) is a plus, as are folks with similar interests. Enjoy quiet time also. :-)
\$400-500 with utilities if possible, but please let me know what you've got if this looks interesting. Thanks. :-)
