NEW STRAWBOSS POSITION

a new strawboss position we need a dedicated person to put on price stickers and stock the 'candy' and 'snack' sections of the dry goods shelves. the job will usually take between one and two hours a week, requires accurate placement of items and stock rotation. phil or i will train you for the job, it is somewhat detail oriented. the job can be done when the orders arrive, alternate tuesday and wednesday depending upon the united or azure delivery schedule, it can also be done thursday prior to 2:30 when growers opens. if you are interested in this position (it would help if you could plan on doing the job for a year or longer), please ask the coordinator for an application. if you need more information feel free to give me a call. thanks so much for your interest sue 541-688-6679.

PRODUCE SORTER

Growers is looking for someone to pull the pre-order produce every Thursday. The job takes between 1-1.5 hours each week and needs to be done by 2:30. The job includes pulling the pre-orders from an excel tally sheet and organizing the produce between Thursday orders and Friday orders. It takes attention to detail and gentle handling and organization of the produce. If interested, please stop by Thursday morning or afternoon and speak with a coordinator on duty.

CO-OP FLOOR

The floor in the corner of the co-op where we normally keep the packaged goods shelves looks really good now, doesn't it? Rodney's friend Elliot is visiting from out of town, and he helped with the latest phase of the project. Rodney, Richard and Nathan ought to start a floor refinishing business. And take a look at what they put in front of the door leading to the upstairs offices. Somebody told me that they incorporated something into the floor elsewhere, too. Rodney has been mopping the floor every other week on Thursday, and I have been mopping on the alternate week, on Friday. –Milton
