## GROWERS MARKET ANNUAL MEETING

The Growers Market annual meeting will be happening starting at 6 pm on Friday, April 24th, in one of the meeting rooms upstairs in the common area of the Growers Market Building. ## GROWERS MONEY

The Growers Market Cooperative Fruit Booth at the Country Fair gave the co-op \$4000 in 2014, money they made in 2013 and 2014. Without the donation, the co-op would have lost about \$4000. A co-op loss is not the same thing as a loss for Growers Market, Inc. as a whole, since the co-op is only a part of the corporation. The co-op pays the Growers Market Building bank account \$500 per month as a contribution to the general fund, and the Building in turn pays for the co-op's utilities. Figures from 2004 to 2014 show a 2006 low point in total co-op sales (\$217,022), a peak in 2011 (\$359,983), then a decline in total sales to \$306,205 in 2014. The U.S. economic meltdown happened in 2008. Today, more people have jobs, and less time to volunteer, but many of them could probably still use cheap organic food. 2014 was a good year for the Building part of Growers Market, Inc., which showed a surplus of \$15,532. 2014 was a year to build back our reserves.
