STRAWBOSS POSITIONS AVAILABLE

Here are the set volunteer positions available within our
family right now. Please keep in mind that stepping up and
committing to a scheduled shift is a HUGE part of what
keeps Growers growing so nicely...so please take some
time to sincerely think about taking on more with Growers
as we really need you! The shifts are:

Tuesdays night Orientation (6-630) sign up for every week
or perhaps join on with a friend and you can both do it
every other week.....

Tuesday night, every 2 weeks, Cheese crew, at 6:30pm, for
about an hour to an hour and a half. It involves cutting,
wrapping and labeling cheese. Contact Amanda P.

lamandape@gmail.com

Tuesdays: two cashiers spots available...thats because we
need to fill the every other week shift which is approx from
530-730. Also, folks can choose to sign up to do that shift
every week as well if they have the time to commit."

Tuesday night closer 715 to approximately 800
This shift is needed every other week

Thursday night cashier 6-730 (every other week)

Thursday night closer 715 to approximately 8/830
this shift is needed every week, so you can sign up to do
this shift weekly or perhaps sign up to do this shift every
other week.....and help us by getting a friend to sign up for
the alternating thursday!

NB. Thursday mornings before opening....(anytime
between 12-230) are good times to earn a pumpkin. Please
respect and understand that this is not a good time to shop.
So if you would like to incorporate the two perhaps think
about coming in to volunteer around 2 and then you can be
there once we open at 230.

We also have two coordinator positions that are becoming
available. These positions are for members of the
community that have been involved with Growers for a
long deep breath. Who are committed, active and
enthusiastic personalities that we can trust to add to our
dedicated team. If you are interested please come in to
Growers and talk to the coordinator on duty about filling
out an application. The applicants will be kindly and
respectfully screened for consensus based approval by the
Growers current coordinators team.

WELCOME SUPPORT LOCAL FOOD RIGHTS

The new Growers Market building tenant is Support Local
Food Rights. Their website says, "Support Local Food
Rights' (SLFR) core group began meeting in September,
2012. We came together due to our individual activism over
the years, finding commonality in our need to seek ways of
more fundamentally addressing threats to the environment."
They are circulating a Lane County chapter amendment
petition. --Milton
