GROWERS MEETINGS

Board: Feb. 16, 5:30pm, at Growers

THANK YOU, INVENTORY CREW

I would like to thank the year-end inventory crew for doing a bang-up job. I particularly want to thank Darcy Strange for once again coordinating us through all the chaos. To those of you who missed all the fun: wait 'till next year! We took about five hours total to finish the job, which beats the seven hours we have worked in at least one past year. If somehow Growers could borrow a scale or two from someone, we could be more efficient, since a lack of enough scales creates choke points. --Milton
