## GROWERS MONEY UPDATE

At long last, Growers has completely paid off the loan from ShoreBank Pacific that we took out for our wheelchair lift. The money to repay the loan came from the Growers fruit booth at the Country Fair, various fundraisers and donations, the rents of Growers Market Building tenants and the co-op's monthly contribution to the general fund. The fruit booth money also came from the co-op; before the fruit booth got a separate bank account, the fruit booth money would go into the co-op account. But really, all Growers money is in one big pot.

We now have a second loan from ShoreBank Pacific to repay. We were able to pay a contractor to fix the crawl space under the co-op part of the building without dipping into the loan money. We were lucky to find a contractor who did not charge us very much. Prospects look good for us to be able to repair the crawl space under Red Agave without having to borrow any more money. - Milton Takei
