### DRY GOODS NOTES

a reminder...THANKSGIVING IS NOV.25 WE WILL NOT BE OPEN THAT DAY. WE WILL BE OPEN TUESDAY 23NOV 2:30--7:30. we will soon have local--grown in junction city--garbanzo beans. they are transitional and more expensive. i think supporting local farmers is important, i would like your feedback. as more locally grown items become available i would like to get them for growers. in the short run this may mean some higher prices, start-up costs and learning curves tend to be steep for new farmers, in the long term it should mean more food security and far shorter supply lines.

local black beans should arrive by the end of the month. cocoa nibs haved cleared customs and should arrive in a couple weeks. still no sight of bulk citra solv or nature's gate shampoo/conditioner. that's all for now. sue 688 6679

Bulk Maple syrup is now on the shelf in smaller jugs

### LIDS WANTED!

wanted: if you recycle, not reuse the 8 ounce nancy's yogurt cups i would love to have the lids. the same goes for lids from tubes of tennis balls. i use them in candle production. i've put a bag up by the front desk. thanks, sue.
