HELP WANTED FRIDAY EVENINGS

Hello Marketeers, it is I, your friendly, neighborhood every other Friday evening coordinator, Martin. The very efficient and reliable team of Chris and Cameron, who have been putting the market to bed every other Friday for more than a year, need to quit to focus on nursing school. Text or call me at 541-232-9582 or email at martinfromoregon@gmail.com if you can come put things away and clean up every other Friday night. Thanks for being Growers!

DRY GOODS NOTES

the peanut recall is expanding, many peanut items are gone right now and it will take some time to sort it out. we can no longer get santini's og condensed milk or earth science shampoo. sigh. macadamia nuts should be back by the end of the month. awakened almonds have gone up in price. i expect any number of nuts and nut items to go up in price due to the massive peanut recall.

lilly's fair trade stevia sweetened chocolate bars are in!!!!!! we have some new chips in stock. while we will still carry mary's gluten free crackers, etc, we won't carry as many at one time, too much loss. we have og ginger juice in stock, use in cooking or in drinks, which i may need to do soon as it has been that kind of week.

this is the time of year when some bulk staples may be in

short supply, the end of last year's crop is sold and this year's crop has not yet arrived. most out of stocks will be fairly short term so don't panic!!

that's all for this week, thanks for being growers.. sue 541-688-6679

VOLUNTEERING AND GROWERS

for those of you who may be new to this amazing community, yes growers is a community, welcome. this community thrives on volunteer energy, everyone here who is doing a job is a volunteer. years past in order to shop here one had to volunteer, we need more of you now to help out with keeping growers healthy and happening. there should be a list of 'strawboss duties' in this issue. we also need regular volunteers to do the day to day tasks like keeping us clean, help with set up and closing. you earn work credit which grants you the discount. you get to join in with the people who see growers as far more than a place to shop. come be a part of this community, it rocks. sue p.s. yes i am talking to you!
