## A NOTE TO FOLKS CLEANING UP SPILLS

Thanks for cleaning Growers! If for some reason you need to use a whole lot of clean rags, and you need to move the clean rags bucket off its shelf and take it with you, please remember to put it back when you're done. Put it back on the shelf, not down on the floor with the buckets of wet, dirty rags. And (this part's harder) if you're ready to put your used rags in their bucket (on the floor) after you've cleaned something, could you check to see that someone hasn't left the clean rags bucket there, and you're not putting your wet rags on top of a half-bucketful of neatly folded (soon-to-be-formerly) dry rags? Thanks! Jain your rag lady

Artist Kari Johnson has inserted a likeness of the late Mili White into the mural at the corner of 4th and Monroe. Mili was a long-time Growers shopper. See if you can find Mili in the mural. --Milton Takei
