SEEKING COORDINATOR, EVERY OTHER TUES

Tuesday every other week Coordinator needed, 5:15-8ish.

If you are interested, please stop by the market during Tuesday hours and talk with the coordinator on duty. We are looking for someone who has a good working knowledge of how the market functions, can deal with a variety of tasks, open and close the market, and be able to contribute to the Co-op coordinators meeting.

CO-OP PRICES

The May 6th co-op coordinators' meeting did not make a decision about possibly raising the mark-up on some or all of the items the co-op sells. None of the people at the meeting had seen all of the price comparisons between Growers and other Eugene retailers. Plus, we wanted to hear Sue's view of the matter. One idea was to raise the mark-up on packaged goods alone. Another person said that Growers should not raise prices at all. In the past we have had extra low prices on a few "basic" items. We can all help by trying to get more people to shop at Growers. The next coordinators' meeting is set for 5:30 pm on Monday, June 9th, in one of the two meeting areas upstairs in the Growers Market Building, or in the co-op. --Milton

DAY SHIFTS AT THE FRUIT BOOTH

Every year our fine community gets together at the Fruit booth in the community village during the Oregon Country Fair. As volunteers, we work hard, play hard and educate fair goers while selling produce to raise funds. The money we have raised has helped the Growers Market with the wheel chair lift and many other expenses. Do you want to learn more or potentially join our crew? We have only a few day pass shifts available. As a day passer you will help cut fruit, go on reefer runs, and sell fruit to the public. This is not a camping pass. Interested? contact Jaci at jacimck@hotmail.com
