## CLOSER NEEDED, EVERY OTHER FRIDAY

Here's a great opportunity for new growers members or those with limited volunteer time to get involved. Closer starts at 6:30pm and shift takes approximately one hour. Responsibilities include sweeping the floor, ensuring bulk containers are completely closed, washing dirty bulk scoops/spoons, wiping down counters, putting fruits & veggies away in the fridge and other tasks as needed. If interested come by and speak with Marie every other Fri between 4pm to 7pm. Or reach me through the wire at [gatitacientifico@gmail.com](mailto:gatitacientifico@gmail.com), or via txt/cell 541.525.0242 and leave a message.

## HELP WANTED: TALLY PERSON, TUESDAYS

We need someone who can do the tally and produce inventory on Tuesday nights. The job is approximately 1 hour long. Duties include gathering paper and electronic pre-orders, transcribing those onto an excel spreadsheet, and doing a produce inventory. We do have a training manual on our current process, but can be open to alternate ideas of how to deal with the tally. If interested, please stop by on Tuesday evening at talk with Myriah. You can also call Myriah @ 541-343-6008. Thanks

## NO PRE-ORDERS AT THIS TIME . . .

We currently do not have a Tally person, so pre-orders have not been being filled. We are sorry for any inconvenience this may cause and hope to have someone fill that position soon. Thanks.

## TELL PEOPLE ABOUT GROWERS

They say that word-of-mouth is the best advertising. So please tell people about Growers so that we can attract more shoppers. If they want to just come have a look at the co-op, they could try visiting from 10 am to 7 pm on Fridays, when things are less hectic than on Thursdays.

## FOOD & WATER WATCH “YES ON 92”

Campaign Action Meeting, Thursday, September 18th, 7:00-8:00PM, Central Presbyterian Church - Fellowship Hall, 555 E 15th Ave, Eugene, OR 97401

The problem is simple. A small number of transnational food and chemical corporations are spending millions of dollars to try and deny Oregonians the right to know what they are eating and serving their families. The good news is that with enough grassroots support from citizens, we can make sure that Oregon takes a step in the right direction against corporate control of our food system. Through a simple label, we can put consumer choices back in the people's hands, not the industry's.

So please, join us at our Campaign Action Meeting on Thursday, September 18th from 7:00-8:30PM to learn more about the campaign and how you can help. With enough people involved, we can return the power of choice to the people in the state of Oregon. RSVP here, and bring a friend:
