## STRAWBOSS POSITIONS AVAILABLE

Here are the set volunteer positions available within our family right now. Please keep in mind that stepping up and committing to a scheduled shift is a HUGE part of what keeps Growers growing so nicely...so please take some time to sincerely think about taking on more with Growers as we really need you! The shifts are:

Tuesdays night Orientation (6-630) sign up for every week or perhaps join on with a friend and you can both do it every other week.....

Tuesday night, every 2 weeks, Cheese crew, at 6:30pm, for about an hour to an hour and a half. It involves cutting, wrapping and labeling cheese. Contact Amanda P.  
[lamandape@gmail.com](mailto:lamandape@gmail.com)

Tuesdays: two cashiers spots available...thats because we need to fill the every other week shift which is approx from 530-730. Also, folks can choose to sign up to do that shift every week as well if they have the time to commit."

Tuesday night closer 715 to approximately 800  
This shift is needed every other week

Thursday night cashier 6-730 (every other week)

Thursday night closer 715 to approximately 8/830 this shift is needed every week, so you can sign up to do this shift weekly or perhaps sign up to do this shift every other week.....and help us by getting a friend to sign up for the alternating thursday!

NB. Thursday mornings before opening....(anytime between 12-230) are good times to earn a pumpkin. Please respect and understand that this is not a good time to shop. So if you would like to incorporate the two perhaps think about coming in to volunteer around 2 and then you can be there once we open at 230.

We also have two coordinator positions that are becoming available. These positions are for members of the community that have been involved with Growers for a long deep breath. Who are committed, active and enthusiastic personalities that we can trust to add to our dedicated team. If you are interested please come in to Growers and talk to the coordinator on duty about filling out an application. The applicants will be kindly and respectfully screened for consensus based approval by the Growers current coordinators team.

## WELCOME SUPPORT LOCAL FOOD RIGHTS

The new Growers Market building tenant is Support Local Food Rights. Their website says, "Support Local Food Rights' (SLFR) core group began meeting in September, 2012. We came together due to our individual activism over the years, finding commonality in our need to seek ways of more fundamentally addressing threats to the environment." They are circulating a Lane County chapter amendment petition. --Milton
