## TWIST TIE BIRD

Did you all see the twist tie bird taking wing just to the left of the Growers "Pre-order Produce" sign? Totally amazing, if you ask me. Somebody ought to take a picture of it, and put it on the internet. I wonder who the artist might be?

## STRAWBOSS POSITIONS AVAILABLE

Here are the set volunteer positions available within our family right now. Please keep in mind that stepping up and committing to a scheduled shift is a HUGE part of what keeps Growers growing so nicely...so please take some time to sincerely think about taking on more with Growers as we really need you! The shifts are:

Tuesdays night Orientation (6-630) sign up for every week or perhaps join on with a friend and you can both do it every other week.....

Tuesdays: two cashiers spots available...that's because we need to fill the every other week shift which is approx from 530-730. Also, folks can choose to sign up to do that shift every week as well if they have the time to commit.

Tuesday night closer 715 to approximately 800  
This shift is needed every other week

Thursday night cashier 6-730 (every other week)

Thursday night closer 715 to approximately 8/830  
this shift is needed every week, so you can sign up to do this shift weekly or perhaps share it every other week with a friend!

NB. Thursday mornings before opening....(anytime between 12-230) are good times to earn a pumpkin. Please respect and understand that this is not a good time to shop. So if you would like to incorporate the two perhaps think about coming in to volunteer around 2 and then you can be there once we open at 230.

We also have two coordinator positions for members of the community that have been involved with Growers for a long deep breath. Who are committed, active and enthusiastic personalities that we can trust to add to our dedicated team. If you are interested please come in to Growers and talk to the coordinator on duty about filling out an application.
