## HELP WITH GROWERS YEAR-END INVENTORY

Growers needs lots of help with the year-end inventory. The IRS wants to know how rich we've become (ha, ha). This year the counting and weighing will begin at 6:30 pm on Friday, December 30th. We will finish up starting at 11 am on Saturday, December 31st. You can arrive an hour late if you wish. No experience is necessary. You can stay for an hour, or work longer, if you so desire. We offer double pumpkins, so helping with inventory is a good opportunity for students or other busy people who have a little free time at the end of the year. The co-op will be open for shopping on December 30th, so people can buy groceries and then help with inventory. But if you are not volunteering at Growers on that Friday, you might want to avoid all the activity at the end of the last business day of the year. -- Milton

## GROWERS PARKING

The Growers Market building again has free parking in the five spots in a row in the Southwest corner of the parking lot. Workers had to get permission before putting the reserved parking signs in a couple of spaces, so for a while the Growers spots were not all in a row. --Milton

## CHRISTMAS AND NEW YEAR'S WEEKS

In 2016, Christmas falls on a Sunday, and so does New Year's Day, 2017. The Growers Market co-op will be open for shopping the normal hours during the weeks leading up to December 25th and January 1st.
