## GROWERS MARKET OUTREACH VIDEO

**Production Continues! Friday June 8th 5-6:30 PM  
Taping Your Sound Bites Next!**

Since April work has continued on producing Growers first outreach video, to be broadcast on Lane County Community [cable] TV Channel 29, to help bolster membership and sales in our changing, 21st Century era of organic food outlets! Thursday 5/24 saw videotaping of member shoppers begin with our first member shoppers and strawbosses' supportive sound bites. ***Our next opportunity to record your positive 10 second sound bites on "Why do you shop Growers?!" will be Friday, June 8th, from 5-6:30 PM. Please plan to attend, and please help us spread the word! :-)***

We are seeking our diverse, Growers Market members for this, so please share with Growers folk you know, of all ages, ethnicities, genders, past and present, and all persuasions. For more info on any of the project, check any May Garbanzo Gazette, or email Doug B at: deebblack "at" gmail "dot" com. **Thank You!**
